INTRODUCTORY

In presenting our Seventeenth Annual Edition of the City of Windsor Directory which includes the City of East Windsor, and the Towns of Sandwich, Walkerville, Riverside and Ojibway, we heartily thank the people in general for the cordial support they have given us.

We have endeavoured to reciprocate and give in return the best directory possible, commensurate with this liberal support and in keeping with this policy we have added the names of the wives in this edition.

Last year, additional information was given by designating the owners of their homes by an asterisk *.

One or the other of these valuable features is included in some directories, but few if any of the larger city directories contain both.

The position of the different sections of this edition has been changed. The Miscellaneous Directory comes first, the Alphabetical next, then the Householders Street Directory on Pink Paper and finally the Classified Business Directory.

This re-arrangement is in accordance with a plan for standardization of City Directories decided upon by the Association of North American Directory Publishers of which organization we are members.

A Free Library containing directories of all Canadian Cities and the more used American ones is at the service of the community in the Windsor Public Library.

DIRECTORY

PUBLISHERS

434-36-38-40 Lister Blk.

Hamilton, Ont.

The CITY DIRECTORY is the Only Medium Published for Complete Information

REGARDING:—

FIRMS, INDIVIDUALS, FRATERNAL ORGANIZATIONS, SERVICE CLUBS, LOCATION OF STREETS, ETC., BECAUSE IT CONTAINS:

STREET GUIDE—

For those planning routes, deliveries, sales campaigns, etc., this section is invaluable. The names of business places and householders are listed, giving street number of each.

The starting points of all streets, also the intersections are shown. This last feature enables strangers and those not familiar with the streets to easily locate people (after having found the address, etc., in the Alphabetical section).

ALPHABETICAL SECTION—

The names of ALL (including wives) over 18 years of age appear in this section. THE CITY DIRECTORY IS NOT JUST A LIST OF SUBSCRIBERS OR HOUSEHOLDERS ONLY, but CONTAINS THE NAME OF EVERY ONE OVER THE ABOVE MENTIONED AGE which could be obtained by an Actual HOUSE TO HOUSE AND BUSINESS TO BUSINESS CANVASS.

Not only the name appears but also the address and OCCUPATION in the case of each individual and the NATURE OF THE BUSINESS, in the case of each firm.

The status of the individual is noted—that is if the person is a householder the letter (h) is used, if a boarder (b), roomer (rms), thus adding to the value of this section.

CLASSIFIED SECTION—

This contains a list of all the business places under their business headings. It is of great assistance to those trying to locate firms or business men whose names they do not know. It pays to be properly classified.

IT IS OFTEN THE LINK BETWEEN BUYER AND SELLER.

This, too, is not just a list of subscribers but contains the names of every business place, etc., in the city. A charge is made for extra classified headings and progressive business men realizing the need of having their firm name and products known, use this means of advertising their business.

MISCELLANEOUS SECTION—

Here can be found the names of Federal, Provincial, County, and Civic, Officials, Institutions, Fraternal Organizations, Service Clubs, Schools, Churches, Public Buildings, etc.

NO OTHER PUBLICATION CONTAINS the Combined Features Mentioned Above.

BUYERS OF PRINTING
are fast learning that they get
just what they pay for.

NOTHING is gained by beating down prices—for the printer who cuts prices must skimp on material or workmanship—or both; and sooner or later he is out of business.

Good work means good printing on good paper; this means satisfaction all 'round.

You will be intelligently and satisfactorily served by us.
